Friday 24th March 2017

Dear Parents and Carers,

Well done to Caterpillar Class who did their assembly for the whole school and parents yesterday. We did enjoy the way you shared your learning through the retelling of the Three Billy Goats Gruff, reading and songs. Standing up and sharing with so many people is quite daunting and they did a brilliant job. I am sure all of the parents who came, would agree we were very proud of them all!

Mathletics and Spellodrome Don't forget our workshop for parents and children on **Monday 27th March at 3.15pm**. Please reserve a place and let the office know if you would like to attend, so we can make sure there are enough computers available. We will put on another workshop at an alternative time if there is enough demand.

Easter Fair and Walking Village Quiz Thank you to all of you who have brought in donations for our FoES Easter Hampers. Raffle tickets for these will be on sale shortly and the draw will take place at our Easter Fair and Walking Village Quiz on **Saturday 1st April 10.00am-1.00pm**. It sounds as though it will be a really fun morning full of activities and fun for the whole family.

Bags2School After Easter we will be collecting clothing and other items for Bags2School, so if you are having and Spring clean and sorting things out, please save them for our collection. It all helps to raise much needed funds for school to buy some of those 'extras' that enhance our school curriculum.

Rocksteady On **Friday 31st April at 2.30pm**, we have Rocksteady musicians performing during our Friday celebration assembly. Parents are warmly invited to join us for assembly. We will be doing Star of the Week, but I will not be presenting any other certificates that week as there isn't sufficient time. Please save any certificates or good news you would like us to share for the following week, Friday 7th April.

Easter Activity and Reflection Day On **Monday 3rd April** we are having a special Easter Activity and Reflection Day in school. At the end of the day we will be putting on view some of our work and you are welcome to come in after school and see what we have been making and learning about during the day.

Lost Property The Lost Property box is now in our Food Tech room, where lost things will be safe and dry. If your child has lost anything it is always best to look at the end of the day when the cloakrooms are empty and then check the box. Please remember to check items of clothing and PE kits are named. Sometimes clothes marked in pen fade over time, when they are washed.

Thank you and can you help? We are still looking for someone to help us with our school library. If you are able to help or you know someone who may be able to help us, please let Mrs Russell know.
